

WSD TFA State 2024 Motions

Round 1/2 (debate opposite sides): This House regrets the narrative that secondary college preparatory programs are essential for success.

Round 4: This House believes that the harms of industrial agriculture outweigh the benefits.

Quarters: This House opposes the use of non-disclosure agreements in legal settlements.

Finals: Info Slide: A Sovereign Wealth Fund (SWF) is a state-owned investment fund or entity that is commonly established from 6 types of surpluses, payments and exports. This House prefers the use of African SWFs to fund African development projects over investments from outside the continent.
