

WSD TFA 2023 Motions: August-November

- This House opposes lifetime appointments to the federal judiciary.
- This House supports the right to secession.
- This House regrets the rise of citizen journalism.
 - Info Slide: Citizen journalism is citizen-based journalism where citizens play an active role in the process of collecting, reporting, analyzing and disseminating news and information. The underlying principle of citizen journalism is that ordinary people, not professional journalists, can be the lead authors and distributors of messages. In recent times, citizen journalism has become more possible thanks to the development of various online platforms.
- This House supports the increased use of nuclear power to combat climate change.
- This House believes that gene-editing technology should be restricted to non-human organisms.
- This House opposes the use of public funds for school vouchers.
- This House supports the rise in unionization.
- This House regrets the commodification of art.
- This House would ban targeted political advertising.
- This House, as the United States, would build a military base in Palau.
