

To TFA Region IV:

I wish to declare my intent to run for re-election for the Region IV Congressional Debate Committee position.

Congressional debate is the event that I am most passionate about. I currently also serve on the UIL State Congressional Debate Advisory Committee. Previously, I have served as a representative on the NSDA Nationals Legislation Selection Committee as well as the National Extemp Topic Writing Committee. Anytime something is needed, I will step up and take it on.

I believe that I have served Region IV effectively over the past term. I hope that you will agree and elect me so I may continue working on this committee.

Thank You,
Brian Alford
